### An Unlimited Energy Machine Threatens Mass Destruction

Nicholas Foxe jets to Venice to spend time with an old flame. Expecting romance, Nick instead finds himself immersed in murder and intrigue.

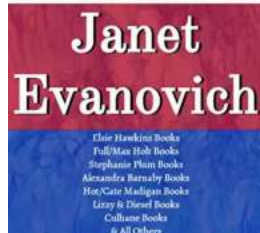

Nevin Dowd, a billionaire who owns a number of high-tech companies, is in Venice to help save the city from the next big flood. His underwater excavation work uncovers a mysterious object with curious markings. He calls on Nick to decipher the code.

In Istanbul, British intelligence discovers an ancient letter which tells of a machine hidden in the ocean that can draw massive power from seawater, but at enormous risk. Is this seawater energy machine connected to the object Nick is trying to decipher?

In Switzerland, Nick's team guards a device that contains advanced knowledge, including details of the seawater energy machine. A group of assassins working for someone known only as Frost, attempts to steal it. Who is Frost, and is he responsible for the murder of someone close to Nick?

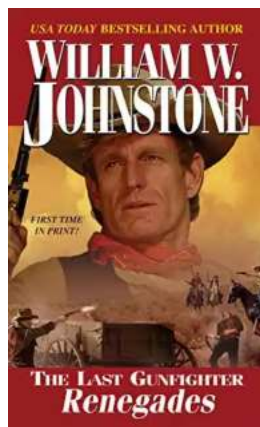

Can Nick and his team of code hunters get to the machine first before it destroys Venice?
