Finlay Donovan is—once again—struggling to finish her next novel and keep her head above water as a single mother of two. On the bright side, she has her live-in nanny and confidant Vero to rely on, and the only dead body she's dealt with lately is that of her daughter's pet goldfish.

On the not-so-bright side, someone out there wants her ex-husband, Steven, out of the picture. Permanently. Whatever else Steven may be, he's a good father, but saving him will send her down a rabbit hole of hit-

With her next book's deadline looming and an ex-husband to keep alive, Finlay is quickly coming to the end of her rope. She can only hope there isn't a noose at the end of it...
