Award-winning archaeologists and New York Times and USA Today bestselling authors W. Michael Gear and Kathleen O'Neal Gear bring us a gripping disaster thriller.

The seas flood their banks. Storms devastate entire continents. Fires envelop the world in darkness. The collapse begins...

Anthropologist Anika French makes an explosive discovery: due to climate change, our world is threatened with collapse in just a few years, and humanity will perish. Anika's committee chair published her work under his own name, now powerful people will do anything to obtain Anika's statistical program for their own use.

With murder, kidnapping, extortion, and assassination on every side, Dr. Maureen Cole, a team of specialists, and bodyguard Skip Murphy will do everything in their power to keep Anika safe as they struggle with the implications of Anika's work. For once the "fracture event" occurs, Anika's model predicts the end of the world – and dark powers are already testing the model with devastating results.

Ultimately, it will be up to Skip, Maureen, and Anika as a deadly showdown in the Alps will determine who will profit from the destruction of civilization.
