## **The Plot of "Never Novel"**

Set against the backdrop of war-torn Europe in the early 20th century, "Never Novel" follows the lives of three individuals whose paths intertwine in unexpected ways. Sophie, a courageous young woman with a strong sense of justice, finds herself entangled in a dangerous espionage operation. Max, a charming and enigmatic British spy, makes it his mission to protect Sophie at all costs, even if it means sacrificing his own safety. Lastly, Karl, a conflicted German officer torn between loyalty to his country and his growing affection for Sophie, struggles to navigate treacherous waters. As their lives collide, secrets are unveiled, loyalties are tested, and love blossoms in unexpected corners.

## **The Unforgettable Characters**

Ken Follett has a remarkable talent for crafting complex and multidimensional characters that quickly capture readers' hearts. Sophie, the determined and resilient protagonist, is a refreshing portrayal of a strong female lead who defies societal norms. Her intelligence and resourcefulness make her an admirable character who faces adversity head-on. Max, on the other hand, exudes charm and wit, making him an instantly likable character who adds a touch of intrigue to the story. And Karl's inner struggle between love and duty creates a powerful emotional dynamic that keeps readers engrossed throughout the novel.

## **The Blend of Intrigue and Romance**

What sets "Never Novel" apart is the perfect balance between heart-pounding intrigue and heartwarming romance. Ken Follett expertly weaves together espionage, political turmoil, and personal relationships, creating a narrative that keeps readers guessing until the very end. Whether it's the nail-biting espionage operations or the intimate moments between characters, the story is brimming with suspense and passion. New York Times Bestseller

The new must-read epic from master storyteller Ken Follett: more than a thriller, it's an action-packed, globe-spanning drama set in the present day.

“A compelling story, and only too realistic.” —Lawrence H. Summers, former U.S. Treasury Secretary

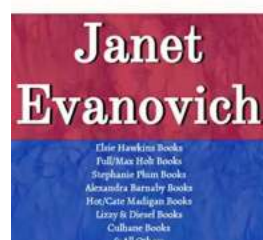

“Every catastrophe begins with a little problem that doesn't get fixed.” So says Pauline Green, president of the United States, in Follett's nerve-racking drama of international tension.

A shrinking oasis in the Sahara Desert; a stolen US Army drone; an uninhabited Japanese island; and one country's secret stash of deadly chemical poisons: all these play roles in a relentlessly escalating crisis.

Struggling to prevent the outbreak of world war are a young woman intelligence officer; a spy working undercover with jihadists; a brilliant Chinese spymaster; and Pauline herself, beleaguered by a populist rival for the next president election.

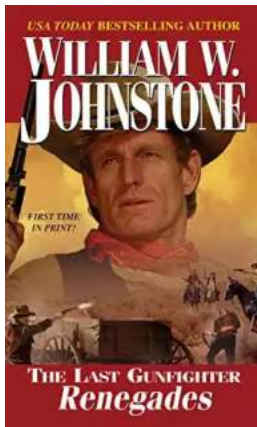

Never is an extraordinary novel, full of heroines and villains, false prophets and elite warriors, jaded politicians and opportunistic revolutionaries. It brims with cautionary wisdom for our times, and delivers a visceral, heart-pounding read that transports readers to the brink of the unimaginable.
