## The Story Continues

DragonQuest is the second volume of The Dragonriders of Pern, a renowned science fiction series that has captured the imaginations of readers worldwide. McCaffrey's storytelling prowess transports you to a fantastical world filled with intricate detail and rich lore.

In *DragonQuest*, we follow the Dragonriders of Pern as they face a new threat, The Thread, a deadly spore that falls from the sky, devouring everything in its path. With their trusty dragons, the riders must venture into battle to protect their people and defend their land.

## **Bonding with Dragons**

One of the primary aspects that makes The Dragonriders of Pern series stand out is the exceptionally strong bond between humans and dragons. McCaffrey expertly explores the intricate connection, showcasing the emotional depth and symbiotic nature of their relationship.

Through a process called Impressions, a dragon chooses their rider for life. This bond truly captivates readers as they witness the inseparable union between dragon and rider, each relying on the other for survival and protection.

Volume II of The Dragonriders of Pern®, the legendary series by award-winning author Anne McCaffrey

Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders struggle with threats both otherworldly and human, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful red star that fills the heavens and promises doom to all.
