Delilah -- I love my family. I really do. But having three older brothers and an overprotective father doesn't make it easy to have a life. They've run off every guy I've ever tried to date. It's time I made a life of my own, even if that means I have to leave home to do it. I never thought I'd end up in yet another town with a motorcycle club, or that I'd be working out of their clubhouse as a webcam girl. I enjoy the freedom, and the money. No one would ever believe I'm technically a virgin. I haven't even been really, truly kissed much less done anything else with a guy before. When the club President, Titan, kissed me, then issued a challenge, how could I possibly refuse?

Titan -- I no longer looked at the girls frequenting the clubhouse the same way I had before. Being a dad changed my perspective, especially since I had a daughter. I still had fun, but it had lost its appeal. Then she walked in. Too young. Too innocent. Until she asked to join the webcam girls. The thought of strange men watching her made my hands clench. It was safer if only I had access to the feed, or so I told myself. Really, I'm just being a possessive bastard. Delilah will be mine, whether she realizes it or not. One kiss is all it takes for me to know she belongs to me. When she's taken, I know I'll do whatever it takes to get her back, and I'll bury anyone who's hurt her. Delilah is mine, and I will kill to protect her.

WARNING: This book contains strong language, graphic violence, and spanking. There are scenes some may find difficult to read. It also has a

dog who's too smart for his own good, a sweet yet sassy heroine, and a hero who knows there's nothing more valuable than love and family.
