“A second chance romance that's a full emotional rollercoaster ride of ups and downs, intense chemistry and deep feels. –Amazon Review

Sometimes forever takes a detour. Single mom Lacey McQueen's life has never gone according to plan. She fell in love once, at sixteen, with a man she thought would be her forever. He was her first kiss---her first everything. But one horrific night took everything from her, leaving her broken and alone, with lifelong responsibilities.

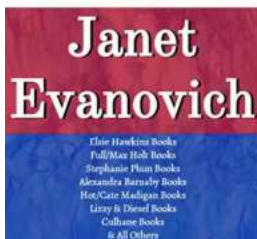

Landon Jessup's life revolved around Lacey, but when the unthinkable happened to her, it all fell apart. Unable to make things right, he did the only thing he could. He ran. And he's regretted it for six long years.

Now fate has brought them back together. The moment their eyes meet it's as if time has stood still--the attraction, the pull, the love--it's all still there. But so are complications, new and old. Can this second chance at love deliver the future they've always wanted or will the pain of their pasts destroy them again?

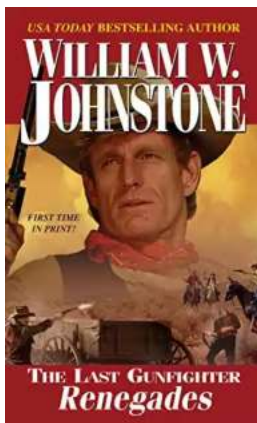

“This is one of the most beautiful second chance romances that I have ever read.” –Amazon Review
