When did life get so complicated? The plan was just to get through my winter semester, binge Doctor Who marathons and eat all the mint ice cream a girl could eat. So why am I obsessing over a delectable classmate who's blood makes me want to r*de him silly or drink him dry?

Don't judge me! I'm a vampire, okay? I hardly ever indulge beyond sustenance and only on occasion, do it for fun--but that's not the point! Someone tried to kill me and it was only natural for me to bite back(excuse the pun) Probably would have been smart to make sure no one was watching me though...

Guess that's what I get for being impulsive!

Wander This World is a lighthearted, sometimes darkish vampire college romance with a geeky Black redheaded vampire and the tattooed sweetheart who becomes hers. It was previously published under another pen name.
